### **Quotes from AED members:**

“AED is the easiest way to get plugged into a system designed to help us get into school, and you get into contact with good people, like our advisor.” -James Dunn

“AED was very educational for me, in fact, I was able to rank my schools of choice based off of various meetings throughout my time at UNT.” - Amanda Moody

“AED is the best way to meet people with the same interests and ambitions as me, and to make friends that are going through the same things as I am.” -Samantha Seaman

“The free food is great and there are some informative speakers” - Michael Sorrell

“It’s a good extracurricular activity to be involved in if you are planning on going to medical school.” -Reid Singleton
